Rev. G. C. Robertson,
Rose Bay, Lunenburg County,
N.S.

Dear Mr. Robertson:

I am sorry that I have so little knowledge of the various congregations through Ontario that I am unable to give you any information with regard to vacancies. My work at the University keeps my attention directed entirely upon our own affairs, and I know very little of what is going on outside.

I should imagine, however, that it would be better for you to take a congregation in the Maritime Provinces, where you are known and have worked so long, rather than to make a venture to a new sphere where the conditions are different, and where also I understand the competition is keen.

Perhaps if you were to write to Rev. George Ross of Goderich, he might be able to give you information, or to Rev. F. Macdonald, Editor of "The Westminster", whom you probably know.

With kind regards, I am,

Yours sincerely,

President.
